Memorandum

Date: June 3, 2014

To: Honorable Chairwoman Rebeca Sosa
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Rescinding Administrative Order 8-6 and Approving Implementing Order 8-6 Regarding Prohibition on Smoking and the Use of Electronic Cigarettes and other Nicotine Dispensing Devices in all County Enclosed Indoor Workplaces

Recommendation

It is recommended that the Board of County Commissioners (Board) rescind Administrative Order 8-6 and approve Implementing Order 8-6 governing the policies concerning prohibition on smoking and the use of electronic cigarettes and other nicotine dispensing devices in all in County-owned and leased facilities, and in County-owned vehicles. The updated policy is being presented for Board approval pursuant to R-145-14, adopted by the Board on February 4, 2014.

Scope

IO 8-6 will have a Countywide impact.

Fiscal Impact

It is difficult to estimate the cost associated with updating all signage posted in vehicles and facilities throughout all County departments. For Internal Services Department managed facilities, the cost of updating the signage will be approximately \$3,000, which will be paid from Internal Service Funds.

The costs associated with updating signage in non-Internal Services Department managed facilities, such as the Aviation and Fire Rescue departments, among others, will be borne by each department, as applicable.

Track Record/Monitoring

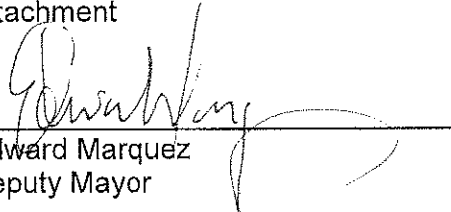

Supervisors or facility managers receiving a formal or anonymous complaint shall forward it to the violator's respective department. Members of the general public found in violation of this policy will be politely informed by facility staff or enforcing authority and subsequently asked to abstain from smoking.

Background

On June 1, 1992, the Board approved Administrative Order 8-6 setting the policies concerning smoking in County-owned or leased facilities, and County-owned or operated vehicles. This Administrative Order was later updated on April 7, 1994. On February 4, 2014, the Board approved Resolution R-145-14, which extends smoking prohibitions to the use of electronic cigarettes and other nicotine dispensing devices, subject to the exceptions set forth in the Florida Clean Indoor Air Act.

The revision to this policy being presented to the Board for approval at this time incorporates all subsequent State modifications to the Florida Statutes Chapter 386 - Florida Clean Indoor Air Act, and to Florida Administrative Code 64I-4, which governs said Act.

AUTHORITY:

Section 5.02 of the Miami-Dade County Charter; the Florida Clean Indoor Air Act, Part II of Chapter 386, Florida Statutes; Chapter 641-4, Florida Administrative Code; and Resolution No. R-145-14, all as such may be amended from time to time.

SUPERSEDES:

This Implementing Order supersedes previous Administrative Order 8-6, ordered and effective June 1, 1992 and Administrative Order 8-6 ordered and effective April 7, 1994; and all previous policies concerning smoking in County-owned and leased facilities as well as in County-owned vehicles.

POLICY:

It is the policy of Miami-Dade County to comply with the Florida Clean Indoor Air Act, Part II of the Chapter 386, Florida Statutes, related to the regulation of smoking in all enclosed indoor workplaces owned or operated by Miami-Dade County, subject to the exceptions set forth in Florida Clean Indoor Air Act. It is further the policy of Miami-Dade County to prohibit the use of electronic cigarettes and other nicotine dispersing devices in all enclosed indoor workplaces owned or operated by Miami-Dade County, subject to the exceptions set forth in the Florida Clean Indoor Air Act.

"Nicotine dispensing devices" means any product that can be used to deliver nicotine to an individual by inhaling a vapor from the product, whether or not such vapor actually includes nicotine, including, but not limited to, an electronic cigarette, "e-cigarette", electronic cigar, electronic cigarillo, electronic pipe, and/or other similar device or product.

Miami-Dade County employees on duty may not smoke or use electronic cigarettes or other nicotine dispensing devices except in authorized areas, during authorized breaks and lunch periods.

This policy shall be prominently posted in compliance with the Florida Clean Indoor Air Act.

EXCEPTIONS:

The specific exceptions set forth in the Florida Clean Indoor Air Act, Part II of Chapter 386, Florida Statutes, as such may be amended from time to time, shall apply to this policy both as to smoking and the use of electronic cigarettes and other nicotine dispensing devices.

Smoking and the use of electronic cigarettes and other nicotine dispensing devices shall be permitted in places owned or operated by the County that are recognized as exceptions under the Florida Clean Indoor Air Act, as such may be amended from time to time, including, but not limited to, each of the following places:

1. Customs smoking rooms in airport in-transit lounges meeting certain criteria;
2. Private residences not being used commercially to provide child care, adult care or health care;

If the violator is a member or County staff the complaint will list the name and department if known. The Building Manager will forward the complaint to the appropriate department director or facility custodian for action.
